Public Speaking

The Internet Lies: An Exploration of how Social Media and Technology can be Abused

This presentation, geared towards judges, attorneys, and law enforcement, focuses on how Internet technologies are used by perpetrators of domestic violence to stalk, harass, and intimidate their victims. The presentation covers a wide range of technologies including social media, anonymous text messaging, caller ID spoofing, and email manipulation.

This presentation was given:

- **March 28, 2014**

Family Violence Conference of the Texas Center for the Judiciary
155 attendees

- **July 15, 2013**

76th Annual Conference of the National Council of Juvenile and Family Court Judges
~60 attendees

Awards and Recognitions

Awarded an EDAWN Coin - December 2016

Recognized by the Economic Development Authority of Western Nevada (EDAWN) for exceptional leadership, engagement, and/or cooperation in support of Reno-Sparks regional economic development efforts.

Best Place for Serendipity to Occur - 2014

This honor was awarded by the Economic Development Authority of Western Nevada as part of the Nevada Center for Entrepreneurship and Technology / Reno Gazette Journal annual Entrepreneurial Awards. It was accompanied by recognitions from Nevada's various congressmen and senators.

Community Affect - One of the 15 most influential community leaders - 2013

The Community Affect recognized the 100 most influential people in the Reno/Sparks area. Nominations from the public are reviewed by a selection committee who then decides the award recipients based on the affect they have had on the community.

Fritjof Capra Scholarship - May 2011

This graduate scholarship is based on academic achievement in undergraduate studies and prior accomplishments in technology.
